Mike,

AWWA Michigan Section is hosting an informational workshop on the lead issue. It will include a speaker from AWWA and an open format discussion for attendees to discuss shared experiences. It will be Thursday, Jan 7 in East Lansing, 9-noon with an 8:30 networking breakfast. See the invite attached.

Space is extremely limited. Registration will be open Mon 12/14 online and you will need to register by 1/4. Utility members (grades 4, 76, and 80-89) will receive a special promo code to waive the registration fee.

John

John A. Willemin | Senior Process Engineer, Vice President | 616-464-3801 | jawillemin@ftch.com

Subject: RE: West Michigan Supervisors Meeting - December 2015

I have any item for folks. We received a link to this website and questions about lead today through my City Manager's office. It maps the areas with high lead levels in children's blood. I send out an email about how we were in compliance with the lead sampling rules. I don't know much about the site or its source – I haven't had time to get into it yet.

Subject: West Michigan Supervisors Meeting - December 2015

To All:

I would like to invite you to the Doodle poll "West Michigan Supervisors Meeting – December 2015."

Hope all had a Great Thanksgiving!!! I'm trying to sneak this in between the holidays and hoping to cash in on some more mild weather for traveling.

We are going to meet at the Stable Inn on US31 near Grand Haven. Easy access off the highway just in case we get that nasty weather.

Please follow the link in order to participate in the poll: <http://doodle.com/poll/8t4gpkt8ni2hdk18>

Thanks

Joseph A. VanderStel
Water Facilities Manager
Northwest Ottawa Water Treatment Plant
City of Grand Haven
