OPEN Press

High level points:

- Protecting the health and safety of our residents in Flint and across Michigan is always our top priority.
 - o All Michigan residents need access to safe, clean water
- That's why today, in consultation with health and water experts in our state agencies, I'm advocating reconnecting the Flint drinking water with the Great Lakes Water Authority.
- I'm recommending to my partners in the Legislature that the state government provide \$6 million of the needed \$12 million to reconnect with authority.
 - o The Flint city government has agreed to cover \$2 million of this cost, and the Charles Stewart Mott Foundation is generously offered to donate \$4 million.
- What you are seeing here today is a community coming together to work toward solving a problem.
 - o I appreciate the assistance of Mayor Walling, and the U.S. Environmental Protection Agency.
 - o This is a collaborative approach, and I appreciate that community organizations including the United Way and come forward to assist.
