Subject: PRESS RELEASE: Special Presentation to City Council on Water

For Immediate Release

Special Presentation to City Council on Water to be Included in City Council Meeting Agenda for Monday, September 14, 2015

Flint, Michigan – September 14, 2015 – The agenda for the regular City Council meeting scheduled for Monday, September 14, 2015 at 6:00pm will include a special presentation to update residents on water. The presentation will include the steps taken thus far to address the quality, safety and affordability of the water as well as upcoming plans to make improvements to the water system. This is a public meeting and residents are encouraged to attend.
