Subject: Flint Water

Brad,

There's a 3 p.m. news conference in Flint by area hospitals, health care providers, etc., with bad news about lead levels in kids tested this year.

Lead researcher from Hurley Hospital is calling for Flint to turn off the water as soon as possible.

Making you aware. Will need some comment at some point.

http://www.mlive.com/news/flint/index.ssf/2015/09/study_shows_twice_as_many_flin.html

Thanks.
