Importance: High

Maggie---please find the action plan with our responses/comments. Please note we are advocating for the removal of point #8, the pre-mixed formula.

Thanks--g

Subject: Flint Drinking Water Action Plan

Geralyn and Elizabeth-

Attached is the now 12 point plan that the Administration would like to announce on Friday. Will you please take a look at this and help fill in the "Action to Date" in the areas that you are lead on?

In addition, Karen is working on pulling together bulleted talking points for each of the 12 areas. She will reach out to you for your help on this.

Thanks,
Maggie
