Mike,

Thank you for your response,

We have decided to move forward with a forum that brings industry experts such as the DEQ, the Genesee County Drain Commissioner, and a health professional together to give a brief presentation and answer questions. We are targeting Wednesday January 21st at 5:30 to hold the meeting at Flint City Hall. The Mayor and I are extremely hopeful that you and any other available DEQ representatives are able to make the meeting as we believe that this will go a long way to assist in rebuilding customer confidence. Please let me know at your earliest opportunity if you can attend.

Thank you,

Howard,

This note confirms my telephone discussion with you today. The city has scheduled a Public Works Committee at 5pm today and the TTHM violation is on the agenda. The meeting will be open to the public and will also have media coverage. Given the timing of the meeting (today at 5pm) the DEQ will not be able to participate. The DEQ is willing to participate in a future public meeting (in the next one to two weeks). Please notify us of the next planned meeting(s) and request the department's participation to help answer questions and/or to speak on specific items pertaining to this issue. Please send the request to me so I can organize our participation. If you have any further questions, please call me at your earliest convenience.
