Subject: Flint TTHM Notice
Date: Tuesday, December 30, 2014 11:34:59 AM

A quick "heads-up regarding Flint....

Mr. Duaghtry Johnson from Flint called me today for minor clarification on the TTHM PN of which I assisted him. He also informed me that the city will be mailing out the PN this Saturday. The city will also be giving the press a "heads-up" of the PN on Sunday with an official press release on Monday Jan 5th; thus, we could get a call on Sunday. I expect most calls will be received Mon-Wed of next week. I plan to remain in the office next week (Mon-Wed) to take calls.

Michael Prysby, P.E.
District Engineer
Office of Drinking Water and Municipal Assistance
