Thanks Steve! It will be great to work with you again. I'll be in touch as soon as I make the transition to Flint.

Happy New Year!

Natasha,

DEQ staff in Grand Rapids had informed me that you are headed to the City of Flint. Congratulations on your new job. The district I supervise in Lansing includes the City of Flint and Genesee County as a whole, so I look forward to working with you again.

I know your accomplishments at the City of Muskegon Heights have made a difference to them and that you will have a similar impact in Flint.

Again, we welcome you to Flint. There has been a lot going on with the City and its water system and we have had a good working relationship with the City's staff, so please let me know if my staff or I can be of service to you.
