Subject: RE: Copy of a Document - Needed ASAP for the Director

Steve, Per our conversation -
Karen T. had turned it into a graphic so the Director is all set as the document described below by me doesn't exist with her as a Word document.
Director has what he needs.
Thanks.

Good Morning Steve,

Director has asked for a copy of a document that he said you gave him yesterday – it is a one pager dated 9/17/2015 Draft and starts off with the City of Flint Background with several points underneath it and then City of Flint Timeline.

Director wrote all over his page and wants a clean copy. You can send that to me and I can print for the Director.

Thanks.

Mary Beth
