Do you guys have time for conference call today to discuss the documents? Maybe late morning/early afternoon (after I get a chance to read through it).

Upon further discussions with Richard, I will take the point position to coordinate this effort. For the most part my schedule is open next week so I can accommodate the executive office's needs.

I fully anticipate meeting the Wednesday Morning deadline, if not Tuesday afternoon.

Kris and Mike –

Note the assignment below, due next Wednesday morning at the latest.

I'll need a point person to coordinate this. Any volunteers – Steve? Richard?

Sonya – I cc'd you as an FYI (thought you'd find the assessment interesting).

Bill and Liane,

Please have the attached documents reviewed and comments provided relative to the City of Flint water supply needs and relative to the impacts that are possible to the Detroit System.

Treasury needs an assessment as to the need for the alternative water supply and it's impacts so they can provide input to the financial managers.

We need comments by next week and will likely meet with the Director on Thursday.

Bring in whatever staff you need for the review and please try to have your assessments by Wednesday morning.

Sorry for the tight time frame but this one is out of my hands. I will also be looking at the report.
