Wade Trim is also setting them up so they can pull the pdf version of the drawings from the extranet. Currently I am setting it up for Jon. Can you let him know he will be getting a notification.

Matt-The agenda is for the afternoon, pump station, and at GCDC offices. I thought we were meeting off site? We will need the AM agenda and location/time as well.

Your thoughts.

Mike, open the agenda, attached to this email, for the meeting on the 10th, with GCDC/KWA. Location and time to follow. Matt Raysin sent all pipeline drawings to Jon last week. In your call to me you said you were going to call Jon to confirm so he should have 30% plans by now. Any questions let me know.

More later.
