That's my understanding as well.

Correct.

Dan asked that we let him know when we will be prepared to issue the violation. It is my understanding that the plan will be for us/him/Maggie to contact the appropriate legislators the same day that we intend to send out the notice letter.

It is my understanding that the Director spoke with Liane and Maggie about the plan of action for this. I don't believe we are doing a meeting.

Is everyone all set on this and on the same page?

Just checking in to make sure I don't need to do anything at this point.

Thanks.

Okay, I will find out from the Director. He is out today and tomorrow but will be checking his email.

His schedule is extremely tight Dec. 8-12 (AL Th/Fr) but I'll see what he wants to do.

I am also copying Maggie Datema – Maggie, please see note below.

Thanks.

Mary Beth,

Director Wyant had suggested a meeting with Flint area members of the state legislature and others to provide them information about a water standard violations which may occur.

My office anticipates receiving the applicable monitoring results for determining such a violation during the week of December 1-5.

If the Director would still like to hold such a meeting, it would be best to do so during the following week December 8-12. Can you let me know whether this will work so we can start the planning process?

Thanks.
