Subject: GCDWWS Water Treatment Plant Raw Water Reservoir
Attachments: Karegnondi Storage Analysis Septemebr 23.pdf; 2014 DWRF AAD Projections.pdf

Mike,

Good morning, hope all is well there.

Attached is a memorandum outlining the Phase 1 raw water reservoir storage sizing that we discussed a week or 10 days ago, along with the 2000 - 2030 AAD demands from the 2014 DWRF Plan. Please review and call me when you have a chance.

Thanks,
Dan Potter
