I know the connection to Detroit is an old issue, but one of you gets to return this call since Steve is out this week and Mike won't be back for 10 days.

I received a voice message overnight and request you return the call. Delores Dotson, of Flint, pleads there is an emergency about cutting off Detroit water and believes the city needs to get back on the Detroit water system. Her telephone number is 810-785-7335. She seemed upset and was quite firm.

Thanks,
