Eric, Karen and Brad,

Who do we need to get permission from in order to post the attached to the Flintwater page? It appears to be a DHHS publication in conjunction with GCHD

George

George L. Krisztian
 Flint Action Plan Coordinator
 Laboratory Director
 Michigan Department of Environmental Quality

This is an informational update and the Genesee County Health Department will provide these updates on a daily basis after 4 pm. We are asking all partners included in this email to provide any pertinent updates **DAILY** to Hilda McShane by 2:00pm. If you have nothing new to share, please inform Hilda that you have no updates at this time.

- Today, Michigan Department of Health and Human Services (MDHHS) received approval from Department of Environmental Quality (DEQ) to allow the use and public display of the Bath Time Poster that was developed to address individuals' concerns about using the water to bathe their children (see attached). The Genesee County Health Department encourages all agencies to display the bath time poster.
- Hurley Children's Hospital with MSU extension will offer their first lead focused cooking class at the Farmers' Market this Saturday. Lead focused nutrition recipes and resource book will be distributed at the cooking class . Press release promoting the cooking class will go out tomorrow.
- Mott Children's Health Center continues to work with City of Flint to pick up PUR filters.
