The top accomplishments for the ODWMA are shown below:

1. The issuance of construction permits to the KWA for the installation of Lake Huron Intakes (south of Lexington) to provide water service to Genesee county and Flint.
2. Issue of construction permits to Bay County for the construction of a new WTP using the Saginaw-Midland Municipal Water System as a source (Lake Huron versus Saginaw Bay).
3. Closure of the Highland Park WTP!

Importance: High

Greetings, all. We're moving toward a great 2014, where we will be doing more strategic communication and impactful storytelling.

As we prepare the departmental communications plan, I need your input. The Director has tasked me with collecting 2013 Accomplishments from each of the divisions and districts.

I don't need a book. Half a dozen of your top accomplishments on the year would be very helpful. One liner with a few sentences.

I need these by Dec. 6, in preparation for an off-site planning meeting Dec. 9.

If you have questions, please get in touch with me directly. THANK YOU, and happy holidays.

Brad Wurfel
Communications Director
Michigan Department of Environmental Quality
