Mike, can you please contact Robin Erb at the Free Press?
I provided her and essential briefing, as she had not previously covered this issue.
But my remarks were on background.
Thanks.

Thanks for the time just now; it was nice to speak to you again.

I'd love to connect with Mike as soon as he has a few minutes. I'm also hoping to nail down a timeline for the boil advisories, the dates of the samples that were problematic, when DEQ notified Flint of the exceedance problems, and the dates of meetings that DEQ has had with residents.

My direct line is 313-222-2708. My cell is 313-378-6007.

Again, many thanks.

(And really, I don't think you're crazy to hang out on a slab of ice waiting for fish. Nope, not at all. Weirdo.)
