While I'm gone next week, I'm requesting the following be available "acting" for signatures, if necessary:

Monday and Tuesday – Carrie Monosmith

Wednesday thru Friday - Sonya Butler

I'll check e-mail periodically. The best way to reach me is by text (269-967-0681) and I can return a call.

There are a number of personnel transactions in the works, but the biggest items are the log letters related to Flint and the FOIA requests.

See you in a week.
