I had to print on 8.5. x 14, color printers here do not print 11 x 17, I can send it out for printing if you like.

Thanks,

Tracy Jo

For clarification, I need the exhibits referenced in the letter you sent me discussing the downsizing of the 24 inch transmission main.

You should be able to print to any size. Try 11x17 portrait. I'm attaching again in case the file got corrupt when it was sent last time.

I cannot print the map in its entirety. Do I need to scale a specific way?

Duffy,

As discussed here is the water age map from January showing the water sample locations.

Thanks,

Duffy,

We heard back from Innovyze. The model file got corrupted, but they are walking us through a fix. We are documenting the process so we'll know what to do if it happens in the future.

We expect to have fixed this afternoon and have the maps to you thereafter.

Thank you,

Melissa

Duffy,

We ran into a technical issue with the model creating the water age maps without the 24-inch highlighted. We have to send the model to Innovyze. They weren't able to help us over the phone. We will get you the maps as soon as possible.

Thanks,

Melissa
