Call-In Number: PPI

Conference Code: PPI

Meeting Purpose

Discuss status of priority systems and the July 2015 ETT as well as lead consumer notice worksharing efforts with noncommunity program for FY 2016.

Draft Agenda

- (1) Introductions
- (2) Any additional agenda items?
- (3) Overview of Quarterly ERP Letter with July 2015 ETT data; letter sent by Tom Murphy via email to MDEQ on 8/21/2015 with response requested by 9/30/2015 (quarterly letter is attached)
 - System update requests
 - Referral requests
- (4) MDEQ's FY 2016 LCR Disinvestments for NTNCWSs (see attachment – any questions/concerns?)
- (5) MDEQ/EPA Coordination on lead consumer notice at NTNCWS
 1. EPA outreach effort to remaining 698 NTNCWS → Fall letters outlining lead consumer notice requirements for upcoming LCR sampling.

NOTE: Attached is a draft letter as well as the two enclosures from our 2012 outreach effort. We welcome comments on the draft letter which we revised to reflect calendar year 2016. Do we need to revisit either of the enclosures?

2. MDEQ will include information on providing lead consumer notice in the annual monitoring letters sent to each NTNCWS in early 2016.

(6) Schedule Next Meeting

→ 6 months takes us to Monday, March 21, 2016
