**Subject:** Thank you very much for your help.

I just wanted to say thank you to everyone who took part in Tuesday's grant announcement press conference in Flint.

I know that very, very busy people tore up their schedules to appear, or spent a great deal of time with me providing technical assistance and mentoring to bring everything together – even during the weekend and on a snow day. Your help is deeply appreciated!

I think the coverage looks good so far, giving us a chance to change the narrative and explain the state's proper role helping the city with this long-standing issue. Here are some of the early stories:

[Governor awards Flint \\$2 million for troubled water system; Mayor says more is needed, MLive](#)  
[\\$2 million in grant money coming to Flint to help with water situation, WJRT-12](#)  
[Snyder grants \\$2 million to Flint for troubled water system, Toledo Blade \(AP story\)](#)

Thank you again,

Dave
