Daryl,

Attached are LDO's review comments for Contracts S-4002 and S-4005 for our meeting tomorrow. Our comments to S-4002 are provided for Saginaw Bay Dist to include in their final punchlist. Please provide us with any of your comments for S-4005 and we will prepare a final punchlist for S-4005. I will also be in the office today all day and can discuss our comments in more detail.
