We are meeting at 10AM at the GCDC office. The meeting purpose it to meet the MDEQ and GCDC design team and discuss the status of the general design issues and to update MDEQ with timeline and status of Flint City involvement in KWA. It is planned to bring lunch in and to adjourn around 2ish depending on depth of discussion.

Any questions call or email. Plan on seeing you all Friday the 8th.

Thanks for keeping your schedule open.
