Hi Jim,

Thank you for the follow up information. If the topic should come up (which it likely will) are you comfortable with me sharing the photo and/or Mark's statement? I plan to answer the question directly and simply stick with facts. I just want to anticipate any follow up questions

Thank you
 George

George,

Thanks for calling. The resample result and photo of the aerator debris is attached. Below is the Mark's statement regarding the County Buildings. Jessica ABC may prefer to talk with you, since you are independent form the county and Mark is ok with that.
