Subject: FRCA Hamilton Dam Committee / Karegnodi Water Authority Presentation - March 12, 2012

Hello FRCA Hamilton Dam Committee Members;

The FRCA Hamilton Dam committee will **NOT** be meeting in February.

However, we would like to **invite you to attend a special presentation on March 12, 2012** hosted by the FRCA regarding the Karegnodi Water Authority. Many of the next steps regarding final design and needs associated with Hamilton Dam per the interactions with the Flint water plant are contingent on what happens what the water authority.

Please see the information below regarding the March 12 presentation. We hope you may be able to attend. Let me know if you have any questions.

Thanks,
 Leyla

Karegnodi Water Authority Presentation

On **Monday, March 12, 2012 from 9:00 am to 10:00 am** the Flint River Corridor Alliance (FRCA) will be hosting Jeff Wright, Genesee County Drain Commissioner and CEO of the Karegnodi Water Authority, for a special presentation on the Karegnodi Water Authority. The presentation will occur in the UM-Flint Innovation Incubator, Rm. 207 on the 2nd floor of the Northbank Center, 432 N. Saginaw, Flint, MI 48502.

The purpose of the meeting is for FRCA partner organizations to have an opportunity to learn more about the Karegnodi Water Authority and the impacts that it may could have on their organizations, the City of Flint and surrounding region. Specific to the Flint River Corridor Alliance efforts, decisions regarding the Karegnodi Water Authority will directly impact redevelopment efforts in and along the Flint River as it relates to the Flint water plant, Hamilton and Fabre Dams, and more.

If you would like to attend the presentation, please send an RSVP indicating number of attendees to Leyla Sanker at lsanker@umflint.edu or (810) 424-5477. An RSVP is not required, but will greatly assist in assuring that adequate seating is available.
