Subject: Draft Action Plan steps
Attachments: 2015-10-26 DRAFT Action Steps Week of October 26-30.docx

DRAFT Attached.

I deleted items I believe should not be included (either done or moved to AAR).

I did not change the status summary column (perhaps I should have just erased what was in there, but I wasn't sure that was going to be helpful or not). I believe the status reflects the last updates provided on Friday, as today's updates are still being drafted.
