George,

I don't have the action steps, but here are some additional activities:

- Emailed EPA on 11/19 regarding City of Flint request for guidance on corrosion control treatment evaluation for KWA source water use at Flint Water Treatment Plant. Meeting now scheduled for December 11.
- Plumbing Assessment of Neithercut Elementary School completed on 11/20.
- School reports for Eisenhower, Brownell, and Pierce Elementary schools are in progress.
- Staff meetings with Office of Auditor General legislative audit team and provided requested documentation
- Met with Governors Task force on 11/18. Documents provided on 11/16.
- Developed Partnering Plan 11/15 and 11/19

Subject: Weekly Activity

George, Liane

Below is a summary of actions taken during the week of November 16th-20th based on the most recent action steps.

Action Step 9 - Draft letter to city of Flint documenting Stand-by Operation requirements:

Letter drafted. Letter will be completed and sent to the city following receipt review comments from LDO staff.

Action Step 11: - Continue evaluating city of Flint Service line record status and comparison to sampling pool:

The city received our Nov. 9th 2015 letter. The city contacted me concerning clarification with spreadsheet that was provided to assist the city in completing the comparison. The city also acknowledged that completion of this endeavor is a high priority item.

Action Step 18: Conduct Sampling at Durant-Tuuri-Mott Elementary and Central Kitchen:

Sampling for lead analysis was completed at the Durant-Mott Elementary school and the Central Kitchen on November 14, 2015.
