Hi Heather,

I have a voice mail into Nick to give me a call – I need further information in order to figure out how to really handle this one.

George, I'll keep you posted if it relates to Flint.

Thanks.

Mary Beth

Importance: High

We were contacted by the Lt. Gov's office. They are being contacted by someone who wants to DEQ to use the product they invented. George you said you had drafted a response to someone in regards to Flint for the Governor's office. Can you forward that to Mary Beth so she can send it to the Lt Gov's office??

Mary Beth, I told Nick you would find the info and get him something by morning.

Thanks!
