Subject: RE: Sampling Contract

Hi George,

Yes, I'll fill it out in the morning and get it back to you.

Thanks Jim

Subject: Sampling Contract
Importance: High

Hi Jim,

Attached is the boilerplate contract that I have been instructed to use so that the DEQ can contract GCHD to conduct sampling in the Flint schools for lead in drinking water.

Can you please supply the Grantee Contact information?

I will take a stab at creating Appendix A which will detail the requirements for GCHD. I will then forward that to you for your input.

Thank you!
George
