I believe there were 3 attachments for the Parent letter, total of 6 pages for the attachments.

1. Parent handout - is Your Child Safe from Lead Poisoning? (2 pages) http://www.michigan.gov/documents/deq/Parent_Handout_Sept2015_501830_7.pdf
2. Lead in Flint Water - Frequently Asked Questions (2 pages) http://www.michigan.gov/documents/deq/deq-2015-10-14_-_Lead_-_Flint_Water_Fact_Sheet_02_503394_7.pdf
3. The third was created by request of the group - 2 pages from an EPA document about Nutrition. Emily Houk did that work, and I don't have the final version. Emily, can you please send the Nutrition 2-pager?

Nancy
