Hi Linda – do you have an ETA for when can get those numbers to us? They're following up for the gov's briefing.

Hi all:

The governor's communications office just called and the governor will be doing an interview tomorrow with WFNT in Flint.

The governor wants to know:

1. How many people have been tested since the action plan announcement (Oct. 2) – he's requesting most current numbers available
2. Steps people can and should be taking now – how they can get tested, other recommendations?

Thank you,

Jennifer Eisner
