Documents look great, a couple edits----

Press Release:

“As we continue to find ways to inform and guide the Flint community towards reducing lead exposures, we are appreciate appreciative of the collaboration with Genesee County Health Department,” said Dr. Eden Wells, Chief Medical Executive with MDHHS. “Parents and providers can take a number of steps to help reduce exposure, identify signs of lead poisoning, and begin follow up care as needed. Working together we can all help to protect the health of families in Flint.”

Parent Letter: The word doctor is used throughout the document- we should stay consistent.

Where should I go to get a blood lead test for my child?

The best place to get your child’s blood lead test is your doctor’s office. Your doctor ~~pediatrician~~ will follow up with you on lab tests and provide you with information on what to do next. You can also have a lead test at the Genesee County Health Department. If you need transportation, contact 2-1-1 for help.

Hi Eden,

Attached are the updated letters and press release with the Governor's office edits. Can you please circulate with those on the 3pm call to make sure that these are final?

Thanks!

Updated letters with the correct numbers attached. Do these look good?

The press release was intended for GCHD distribution when the letters go. If there are no additional changes, the attached is ready to go out whenever the letters are. Just let us know ahead of time so that we can be ready for calls! Thank you!
