This is very well done- nice job everyone, and thank you to Linda for pulling this together in "one voice".

A small edit- question---see attached. After this corrected /addressed, good to go to Geralyn.

I am 10 minutes late because I took a call from EPA re the thallium poisoning case...Eden I'll fill you in later.

Attached is a compilation of everything I received re response to the Task Force letter with 3 introductory paragraphs. Thanks to everyone who provided verbiage!
