I think the people who routinely attend this already know about it. I don't see a need to forward to epi all.

Eden,

This is just a friendly reminder that the SEMEC meeting is fast approaching! If anyone else in your department plans on attending the meeting, please let me know so I can add them to the RSVP list (I have had a few so far). I cannot wait to see what you have in store for us! Also, we are working with the Flint Farmers Market on getting a phone loud enough. I will keep you updated.

Thank you,

Christine Rygiel, MPH, MB (ASCP)
