Attachments: 3 pm 10-27-15_Daily Activity Summary.docx

These are notes from our 3PM call with Genesee County Health Dept.

Would you like to receive two separate documents or a summary document that highlights activities from our internal call and call with GCHD? Both internal team summary and the GCHD call summary documents are sent to Geralyn and Elizabeth. What would best meet your needs?

My plan is to update the action plan on Friday, at the end of the week, but we can do that on a daily basis as well.
