Subject: testing protocol
Attachments: Flint Blood Lead Level Testing Protocols.v1.docx; Flint Blood Lead level Testing Protocol table.v1.docx

Importance: High

Eden and Rashmi – Emily and Karen developed a document, and I was toying with it, put same info into a chart. Wanted to start by getting reactions from all of you to these 2 versions of the same protocol, just two different approaches.

Eden, is this what you were thinking of, will this work? Wanted to get your input first, then to the whole group testing protocol group.
