Subject: email to send out on Tuesday morning

See below, trying to keep it short! Please copy me and Linda Dykema on the email to Candace. Thanks!

Dear Candace,

I just wanted to follow up on your inquiry to our program about assistance with Representative Neely's upcoming health fair in Flint.

We wanted to confirm that the Genesee County Health Department is your best resource for materials, and we understand they do have print materials about nutrition related to children and lead exposure. Either the WIC staff at the Genesee County Health Department, or potentially staff at MSU Extension, could be good resources related to your proposed 'healthy eating' demonstration. Good luck with your event!
