Subject: Flint Pb Conversation

Hi Dawn,

Thank you for taking a few minutes to talk with me today. As discussed, MDEQ and MDHHS are talking about communication options to conduct health education to Flint residents about sources of lead (Pb) exposure.

We would like to have an idea-generating discussion with Genesee Co. Health Department about this topic.

Thank you for considering my request, and please let me know if you would like me to set up a conference call to discuss ideas.

Best Regards,
