Bob,

Here are the items that Rod said needed to be sent in order to complete our requirements. Please let me know if there is anything else that needs to be done. Thank you.

Subject: Lead Prevention quarterly reports due soon

Hello all,

Your quarterly report for the 4th quarter (July-September) of FY14 is due on October 30. For your convenience, I've attached a copy of the QR form for Prevention.

PLEASE NOTE: You are released from any obligation for FY14 regarding the "Community Prescription," so there is no need to report on that activity this quarter. Development of this document has been a long and arduous process, with a variety of views—all of them with merit—on the best language and format. In the new fiscal year, we'll work together to get it into the hands of providers and the families they serve.

Let me know if you have questions.

Thanks,
 Bob

Robert L. Scott
