Eden,
 We have updated numbers on WIC clients in Flint for the next set of talking points. How do you want us to update this?
 Who to send to?
 Thanks,
 Rashmi

Hi Rashmi - Good morning. After further review of the Talking Points for WIC, the first bullet needs to be updated in the next version. It should read:

- There are 1,427 infants participating in WIC in Flint that are receiving some type of infant formula.

The info provided previously was preliminary data. Plus this number is for infants who are also getting a partial formula package, as they may be partially breastfeeding or special formulas, etc..

If you have any questions, please let me know.

Thanks
