Come on I'm talking 15 minutes max.

Just give me enough time to be where I need to be especially if it is Lansing.

Hi there Jim --

Gov's schedule is really, really challenging over next couple of weeks for any 1:1s like this, and best we may be able to do is something at media avails at regularly scheduled events or quick pull aside from there.

But will see what can do.

Thanks for reaching out and more soon,
SW

In the next week or so, I'm requesting an on camera interview with the Governor on these topics:

Not Responsive

Flint Water

Let me know when you can.

We could do in metro Detroit, or come up to Lansing.

Thanks in advance,

Jim
