Subject: Flint Water Filter Distribution

The process of distributing water filters began on site today in Flint from the supply purchased by MDHHS.

909 were distributed at MDHHS offices.

1,869 were distributed at the local Community Action Agency locations.

1,624 were distributed to the Flint Housing Commission for installation at low income housing.

186 to early head start, Mott Park Neighborhood Association and Commissioners.

A total of 4,588 were distributed today.

It was a good first day and shows our commitment to action.

We will continue to provide updates on filters through Dan.

Nick
