Thanks for note and reaching out, Brian.

The announcement is actually Friday early afternoon (final details in process of still being worked out, though additional water filters are certainly one planned piece) - would there be any interest in combining? or what's sense of timing and plan on your end? Will absolutely also keep confidential.

May be best to chat too.

Just let me know.

Thanks so much,
SW

Sara,
We understand the Governor is going to make an announcement today about Flint water. Can you tell me anything? We are in the process of making a large donation to the community in support of water filters. We do not want to get cross with anyone. I will keep information confidential.
