No, provided you've connected with and heard from Maggie P at DEQ. They were reaching out to local legislators -- Ananich, Neely and Phelps -- to fill them in on plan and invite them. Just want to make sure everyone is loop and aware of everything.

Haven't heard latest on that yet.

Good morning- just went through it, doesn't look like you need leg to make any calls, but wanted to double check in case I'm missing something.

Thanks!

Subject: HIGH PRIORITY: Updated Flint water action plan
Importance: High

Hi all --

Attached are several items pulled together to help announce the new comprehensive action plan related to Flint water tomorrow. This build upon past efforts and as aimed to be a real collaborative effort with local, state and federal agencies, along with city and community leaders. These items are:

- News release
- Infographics -- one to summarize action plan and one to help highlight the tips for Flint residents

- High level points

The Governor, along with Dan Wyant, Nick Lyon, and Dr. Eden Wells are slated to do an embargoed media conference call with select reporters at 11:15 a.m. tomorrow.

This will be followed by a 1:30 p.m. press conference in Flint led by Directors Wyant and Lyon, moderated by Harvey, and including Dr. Wells and Flint Mayor Dayne Walling. EPA Region 5 Administrator Susan Headman dropped out late today due to some pending litigation. It's possible that Cong. Kildee and/or State Sen. Anaich and State Reps. Neely and Phelps may be participating as well.

There will also be a clearinghouse of Flint water information available at a new web site – www.michigan.gov/FlintWater. It will be live at 1 p.m. tomorrow.

Please review and let us know of any Qs, concerns, last edits, of if anything else is needed at all.

They are going through last review and refinement now. Please do not share materials until we know they are final.

Thanks much,
SW
