Good. Also going to visit one of the offices distributing filters and/or talking with Sheryl Thompson?

Very helpful. Thx much.

What is anticipated cost of filter cartridge replacement?

Also, we're needing to send the Governor daily updates for his briefing on this issue. Would be great to have recap of today's first distribution by 4 p.m. – how went, how many given out/clients served, overall reax/reception, etc. And anything else of note that's important or key.

Yes we are doing filter replacements. This is why we are verifying addresses and contact numbers in a database in addition to the types of water filters residents received.

I'm on my way back to Lippincott right now.

Brad,

We are being told the free water filters for people living in Flint must be replaced after 100 gallons. What happens after that, will there be replacement filters handed out when that need arises?

Thanks.
