Serena --

Our teams tells me and your gmail address were indeed on our distribution list and that the message was delivered -- wondering if it was a potential spam folder problem. Just in case, they tried taking you off and then putting you back on. If you still have any problems, pls let me know and we can call the vendor.

Thx much,
SW

You got OK earlier, yes?

Wil have our team double check that again and make sure we get distribution issues resolved.

Subject: Flint water press release?

Morning,

I'm having connectivity issues with listening to the livestream regarding Flint water. Is there a press release you can send my way? Working on a story now for Reuters.

Also, I appear to not be getting press releases from the Governor's office. Can I please be added again?

Thanks,
Serena Maria Daniels
