Jim Ananich suggested that the announcement of this be done jointly with us, he, and the reps from Flint. Last night Dennis and I talked about it and thought it would be a good idea. Anybody know who makes the decision on when this can go public in Treasury? I will contact them and have all of the comms people coordinate this

I suggested to Dave Murray that he get a confirmation from John Roberts that the money is indeed available to be distributed just for confirmation sake. We've all been around enough of these to make sure our i's are dotted and t's crossed before we go out publicly.

We can work with the Legislative staff and prepare a response. Please note that Flint will be a recipient of \$2 million in awards under the Financially Distressed Cities and Townships program - \$900,000 for water and \$1.1 million for the incinerator. This has not been announced publicly -- Treasury will be circulating internally their overall recommendations late this afternoon or tomorrow morning. We can coordinate how this information might be disseminated with Comms to assist with our messaging in Flint (I added Jarrod to this email chain).
