Dave-

Just wanted to drop a quick thanks for putting Terry Stanton in touch with me. Wish I could have made it over to the event yesterday, but having the Treasury Dept. on today to discuss the announcement was the next best thing.

Again, thanks!

Hi Jason,

The governor will be tough to get, but I think there is a chance we can get someone from Treasury. Let me reach out to the folks over there.

Dave-

Thanks. I will see what I can do to make it over there. Have taken on some new responsibilities here at work and that might have me tied up.

If I can't, any chance for an interview with the Governor (or treasury official) tomorrow? I could pre-record something early in the morning or we could do something during my show?

Again, thanks!

Sure thing! Off the record – and there will be a release this afternoon – we are announcing the city will receive two large state grants to help with water infrastructure.

Dave-

Thanks for the heads up. Not sure if I will be able to make it, but will try. Off the record, can you tell me what's going on?

Jason, wanted to give you a heads-up.

Representatives from the Michigan Department of Treasury, the Office of Urban Initiatives and the Department of Environmental Quality will be joined by several state lawmakers and city leaders at 3 p.m. today at the Haskell Community Center, 2201 Forest Hill Avenue in Flint for a short press conference to discuss some state resources to be used for water system infrastructure and other improvements.

Let me know if you have any questions.

Dave Murray
