Hey, Dave. The Nov. 3 guidance letter is the first document. The other two are the draft and final EPA "Del Toral" memos. Worth reading.

Our statement on the Auditor General letter (enclosed here:
http://www.audgen.michigan.gov/finalpdfs/15_16/1761032015.pdf):

We agreed with the findings in the Auditor General's review. The findings align with our internal department review. We appreciate the Auditor General's work to provide a fair and well considered look at some key issues.

Brad,

Do you have a comment on this auditor letter? Also, can you give me a copy of the EPA's Nov. 3 guidance re: differing interpretations of the LCR? thx
