Subject: R5 Regional Administrator to visit Flint area this Friday
Date: Wednesday, April 15, 2015 1:10:36 PM

Our Regional Administrator, Susan Hedman, will be traveling to Flint this Friday to discuss Brownfields. Of course, we think the discussion will more likely be about the drinking water. Tom Poy and I briefed the RA yesterday on the pertinent issues. I will forward the briefing when it is final. Please don't hesitate to contact Tom Poy (312-886-5991; poy.thomas@epa.gov) or myself if you have questions.
